We are making several changes to our NSI Bond UW Manual. Changes are being made to the Miscellaneous Bonds section of the manual.

We are revising NB0068 - Contractor's Wage & Welfare Bond (Classified as Risk Type N), which appears under section I, Risk Classification Exceptions. We are changing this to Risk Type E, as this was discovered as a typo.

We are also adding rates for Wage and Welfare Bonds (Class Code 568) and Fringe Benefit Bonds (Class Code 569) These changes are being made because we are staying competitive with other companies' rates. Although it appears as a typo.

*Adjusted to reflect all prior rate changes.

**Change in Company's premium level which will result from application of new
rates.
